The Office of Academic Enrichment (OAE) provides academic support for students by offering a variety of programs, services and activities, and in many cases, coordinating its efforts with other University offices to ensure that students’ needs are met.

**Services:**
The Office of Academic Enrichment is designed to help all students, with the primary goal of helping to develop, strengthen and maintain the skills and strategies that lead to academic success. This includes students who consider themselves academically strong who will find support services to optimize their academic experience and better prepare them for graduate school. Successful students are also encouraged to take on leadership roles within the OAE as tutors and summer program assistants.

The OAE offers activities that provide undergraduate students with extensive academic assistance, including:

- Individual and group tutoring
- One-on-One academic assessment and support
- Study skills workshops
- Online Study Skills modules
- SkillMod courses
- Summer Enrichment Program (SEP)
