

2017 SUMMER GET AHEAD PROGRAM

TUTORS NEEDED!

As you know, summer is coming up pretty quickly. What you probably do not know is that the Office of Academic Enrichment runs the summer GET AHEAD program for entering freshmen.

Every year at about this time, we begin our search for just the right people to hire as math and English tutors for GET AHEAD: people from diverse backgrounds who understand the academic challenges our participants face as they prepare themselves for a college education.

Becoming a summer tutor for our program means giving over several weeks of the summer to make a real difference in the lives of others. It is challenging and rewarding. It is fun, difficult and delightful. And it is not for everyone.

But it **IS** for people who care about helping others, and it is an unforgettable experience. The salary is competitive (\$1,600). Free room and board are offered to those tutors who wish to live in the residence hall, or you may commute from your home. All program-related expenses are provided.

Please consider this opportunity for yourself and/or pass the word to others that we are looking for special individuals. Applications are available at the Office of Academic Enrichment (corner of S. College & Amstel Ave; open 8am-8pm M-T; 8-5F) and on our webpage (www.ae.udel.edu).

Program Dates: The GET AHEAD program runs from July 10-August 11. Tutor training will be July 6-7.

Requirements: 3.0 overall GPA or above.

Qualities needed: Strong interpersonal skills, appreciation of cultural diversity, willingness to assist in educational development of students. Prior tutoring experience is NOT required.

Deadline: Monday, April 10.

Questions? Call Michael McClay at 302-831-8296.
