

ACADEMIC ENRICHMENT NEWS

WELCOME TO THE OFFICE OF ACADEMIC ENRICHMENT (OAE)!

Our mission is to help students develop, strengthen and maintain the skills and strategies that lead to academic success. Come in and see what we can do for you!

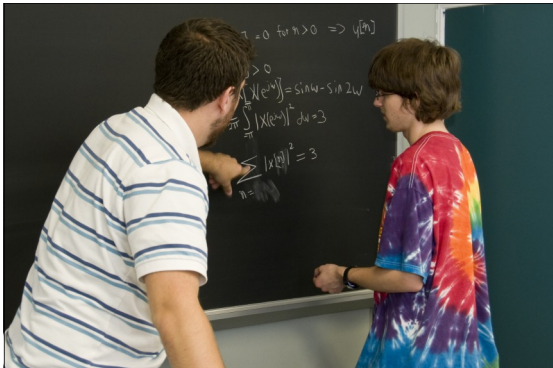

TUTORING SERVICES

<http://ae.udel.edu/tutoring.html>

Tutoring at the OAE is different from what you might expect. It is available in three formats: group tutoring, drop-in tutoring, and individual tutoring (by appointment). Both **group tutoring**, available in over 30 courses each semester (mostly in the areas of math, science and business), and **individual drop-in tutoring** in math and science are offered free of charge to all students. **Individual tutoring** is available at nominal rates (from \$11.25 to \$14.25), and free to members of some programs. You may locate a qualified tutor through our **TutorFind** directory, located in the OAE reception area.

Tutoring is part of an integrated system of advising, mentoring, workshops, etc., designed to help you succeed in achieving your overall goals at UD. Rather than just solving a few problems or giving you quick answers to specific questions, we emphasize improving the understanding of fundamental concepts and developing independence and confidence in tackling difficult problems/questions. We believe that you should never feel hesitant or embarrassed about asking for tutoring or seeking academic assistance. All we ask in return is your willingness to sit down, concentrate and put in the effort necessary to learn.

STUDY SKILLS AND OTHER ACADEMIC SUPPORT

ACADEMIC ENRICHMENT NEWS

ACADEMIC SUPPORT—STUDY SKILLS AND MORE!

WORKSHOPS, TWO WAYS:

Need to tune up your study skills? Assess your current strategies AND explore new ones! You may enjoy our in-person workshops, where someone can address your specific questions. Or perhaps you'll prefer to explore on your own, at the time YOU want, with our online series that allows you to quiz yourself, try out new strategies, and evaluate your progress.

In Person:

NEED MORE? TRY THESE:

OAE Intake Appointments

Know you need help in performing up to your capabilities, but don't quite know what kind of help you need?

Call 831-4555 or drop in to set up an **intake appointment**.

We'll talk one-on-one about your strengths and concerns, and help you find the resources you need to make the most of your time here at UD.

SkilMod Class Series

Consider taking one of our **SkilMod** classes. These one-credit, pass/fail classes help you to sharpen your skills in targeted areas:

UNIV113: Study Skills

(learn and apply college-level study skills)

UNIV114: Critical Thinking

(analyze and create strong arguments)

UNIV115: Problem Solving

(strengthen math/science strategies)
